**! THE STATE OF MARYLAND REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US BY 08/08/2025**

**Here's what happened:**

Your PNC Bank Deposit account ending in xxxxxx4511 is currently considered inactive because **you have not contacted the bank about this account for several years.**

According to state law, banks and other financial institutions are required to transfer all unclaimed customer funds to the STATE OF MARYLAND UNCLAIMED PROPERTY division ("state") when the owner has not shown an interest in, or ownership of, the funds for a specified period of time. This process of transferring customer funds to the state is not a PNC Bank policy, but a state law that all banks must follow.

**Here's what you need to do:**

Please confirm ownership of your account to prevent it from being transferred to the state by completing the bottom of this notice (with your signature and the date) and returning it to us either in to the postage-paid envelope, emailing a scanned copy to [escheat@pnc.com](mailto:escheat@pnc.com) or faxing to (833)452-6706. Or, you can visit your local branch. Your account will be activated when we receive the signed letter. **If you are a legal representative of the owner, please enclose proof of your authority to sign for the owner.**

**It's important for you to know that, if we do not receive a response from you by 08/08/2025 we may be required to transfer your funds to the state.** If your funds are transferred to the state, you may need to file a claim with the state to recover them.

**Here's how you can reach us if you have questions or need assistance:**

We value your banking relationship with PNC, so please complete the form below and return as soon as possible to ensure your funds will remain here at PNC Bank. If you have any questions, please call us at 1-888-762-2265. Please be prepared to provide your Social Security number, other Taxpayer Identification Number or account number when calling.
