Subject: Notice of Account Review — Action Required (DEMO)

Dear Jordan A. Sample,

IMPORTANT

We are conducting a routine review of the taxpayer account associated with the Tax ID shown above. During this sample review we identified discrepancies for the tax year(s) **2022** and **2023** between amounts reported on your federal income tax return and third-party information reported to the Internal Revenue Service.

Summary of sample findings

- **Underreported income:** Third-party payor reports indicate \$28,450.00 in non-employee compensation (Form 1099-NEC) for 2022, while your 2022 return shows \$14,200.00 reported for the same category — a difference of **\$14,250.00**.
- **Unapplied payment:** A payment of **\$1,200.00** submitted on 06/14/2023 was applied to a different tax period in our system; documentation of that payment (bank remittance or payment confirmation) is requested.
- **Missing documentation:** Copies of Form W-2 for employer “DemoTech Solutions” for tax year 2023 and Form 1099-NEC from “Acme Contracting LLC” for tax year 2022 are not on file.

Detail

- Third-party record: Acme Contracting LLC — 1099-NEC — \$28,450.00 (reported to IRS on 03/01/2023)

- Tax return entry: Sch. C, Line 1 — \$14,200.00 (2022)
- Discrepancy amount: **\$14,250.00**

Actions required

1. Please provide copies of the missing documents listed above (W-2 from DemoTech Solutions for 2023; 1099-NEC from Acme Contracting LLC for 2022) **or** a written explanation addressing why the amounts differ.
2. Provide proof of the payment of \$1,200.00 (payment confirmation or bank statement showing the transaction date 06/14/2023) so we can correctly apply it to your account.
3. Submit the requested documentation within **30 days** from the date at the top of this sample notice by one of the methods below.

How to submit documents

- **Email:** demo-docs@example.com — include “DEMO Case: DEMO-2025-4578” in the subject line.
- **Mail:** Support Team, P.O. Box 0000, Demo City, DC 00000 (do not mail real or sensitive originals).
- **Phone:** (555) 555-0199 — reference **DEMO Case: DEMO-2025-4578**. Phone hours: Mon–Fri 9:00 AM–5:00 PM .

Next steps

- After we receive the requested documentation, the sample review team will reconcile the account and issue either a sample determination letter or a request for further information.
- If we do not receive a response within 30 days, the sample review may proceed and a sample adjustment could be prepared based on available data.

Sample estimated impact

- If the difference of **\$14,250.00** is assessed as taxable and no adjustments are made, the estimated additional federal tax liability (illustrative only) could be approximately **\$2,850.00** (varies by filing status and allowable deductions). This is a demo estimate and not a final calculation.

If you believe this sample notice was sent in error, or you have already submitted the requested material, please respond to demo-docs@example.com and reference **DEMO Case: DEMO-2025-4578** so the sample review team can update this demonstration record.

Sincerely,
Account Review Team
